

World War II Project

The Northwest Missouri Genealogical Society (NWMGS) is seeking information on any and all veterans from the northwest Missouri area that served during World War II.

Our goals include:

- ▶ Compiling the information for a book
- ▶ Preserving the stories and facts of the men and women who served during this critical period of our history
- ▶ Sharing the information online for future generations

We need your help to be successful! Please consider sharing the information about the veteran in your family/life and returning it to the NWMGS for inclusion in this very special project.

Please see our website for more detailed information, or to print out additional copies of the form. www.nwmogenealogy.com
